

# 9 DAYS OF PRAYER FOR FATHER'S DAY NOVENA

June 12<sup>th</sup> – June 21<sup>st</sup>, 2026

## Father's Day Novena

Fathers are a very important part of our lives. Fathers hold a significant role in family life. They are instrumental in the religious and moral formation of children.

The influence of a holy father can help set us on the path to a mature faith life and a healthy emotional life. And the absence of a holy fatherly presence can cause a lot of difficulties in family life.

The duties of fatherhood are not easy. Fathers face many challenges in everyday life as they work to provide for their families, to care for their wives and children, and to combat the temptations of the modern world.

Fathers deserve our respect and our love. They also need our prayers.

As we prepare to celebrate fathers in our country on Father's Day, we can assist fathers everywhere by praying for them. Let's seek grace and help for fathers everywhere in this Novena for Father's Day!

## Why Pray the Novena for Father's Day?

You can pray the Novena for Father's Day for your own father. You can use this novena to seek assistance for a particular need that your father has, or you can use it to pray for your father's general wellbeing or holiness.

You can use this novena to pray for your step-father or foster father. You can also use it to pray for a man who has had a positive fatherly influence on your life.

Additionally, you can use this novena to seek assistance for yourself if you are a father or are about to become a father. You can pray this novena to seek assistance in a particular fatherly duty of yours, or can use it to seek assistance in all of your fatherly duties.
