

# 9 DAYS OF PRAYER FOR MOTHER'S DAY

May 23<sup>rd</sup> – May 31<sup>st</sup>, 2026

## 9 Days of Prayer for Mother's Day

The **Mother's Day Novena** is a Catholic devotion prayed over nine consecutive days to honor and intercede for mothers—living, deceased, expectant, and spiritual. While Mother's Day began as a secular observance in the early 1900s, Catholics quickly embraced it within the context of **Marian devotion**, since May is traditionally dedicated to the Blessed Virgin Mary, the model of all motherhood.

Rooted in the ancient Christian practice of nine days of prayer—first observed by the Apostles and Mary between the Ascension and

Pentecost—the novena reflects the Church's deep reverence for the maternal vocation. Over time, parishes and religious communities began offering **Mother's Day Novena Masses**, allowing the faithful to enroll mothers for nine days of prayer and remembrance.

Spiritually, the novena invites participants to thank God for the gift of motherhood, seek blessings for mothers in every circumstance, and unite them to Mary's loving example. It transforms Mother's Day from a sentimental celebration into a sacred time of **gratitude, intercession, and renewal of faith** in God's nurturing love.
